

CPH Outstanding Academic Achievement Award, Fall 2024

Sophia Chen

Letter of Acceptance

I am immensely honored to be nominated for the Academic Achievement Award! Thank you to all of my wonderful classmates, professors, and mentors at CPH who enlighten and inspire me. I have been learning a great deal in just the past few months of starting my Master's degree—about health systems, social epidemiology, vulnerable populations, policy-making, Taiwan, and even myself. My experiences both inside and outside of the classroom continue to broaden my horizons and transform my understanding of the world around me. Thank you everyone and excited to continue learning, growing, and exploring!
