

We are about to launch the NTU “Public Health E-paper” and want submissions from YOU!

To promote communication between teachers, students, colleagues, alumni, members of other academic institutions, and the general public, the College of Public Health at National Taiwan University will soon begin publishing its own "Public Health E-paper." Each issue will include a themed “Public Health Column” as well as a “Life Column” section. The “Life Column” section will span a range of different topics. It will feature life stories, club activities, and learning experiences, to name a few. Students, colleagues, alumni, and the experts or general public in the related areas are welcome to contribute.

To contribute, please note the following:

1. The 020 issue of Public Health Column will be called, "**Management and practice of food hygiene and safety**".
 - (1) Digital transformation in food safety
 - Applications of the Internet of Things (IoT)
 - Data analytics for monitoring and decision-making
 - (2) Microbial monitoring in food systems
 - Implementation of monitoring technologies
 - Compliance with HACCP (Hazard Analysis and Critical Control Point) standards
 - (3) Good hygiene practices (GHP) in food production
 - Key inspection criteria
 - Practical implementation strategies.
2. The 020 issue of Life Column will be open to any topic. In particular, we invite you to share your experiences from public health service teams, public health activities, summer internships, and practical experiences in the field of public health. We also welcome literary creations or artistic works related to these topics.
3. **The deadline for submissions is on Nov 20, 2025.** The 020 issue will be published on Dec 01, 2025.
4. The 020 issue of public health e-letter editorial team: Associate Professor Reuben Wang and Assistant Professor Hsiao-Wei Yu.
5. The decision to accept a manuscript for publication is up to the discretion of the editorial committee.
6. To make a submission, please **upload submitted articles to the online submission platform (Online submission link: <https://forms.gle/rCA3T3k4gR6dy7qf8>)** before Nov 20, 2025. For publication and notification after acceptance, the content of the platform must indicate the service unit or department, professional title, contact number, and email in the manuscript.
7. If the manuscript has drawings, please attach a ***.jpg file to facilitate the typesetting.**
8. **The manuscript fee is \$1/per word and \$2,000 as the upper limit. The “Life Column” manuscripts are limited to 1500 words.**
9. In order to protect copyright, please check the following before submitting:
 - (1) Please confirm that the submitted manuscript has not been published in other publications and that the text/pictures are original by the author; if it has been published in other publications, please seek permission from the original publication office for reproduction, and note where the publication is from.
 - (2) In order to encourage teachers, students, and colleagues to contribute and to maintain copyright, reprinted or published works, news, and event promotion will not be paid according to regulations.
 - (3) For all works accepted and published by this journal, the right of publication and reprint belongs to this paper. If you need to reprint or repost, please contact

the editorial office.
